BACKGROUND AND EXPLANATION

In January 2010, the CHA was awarded a two year \$250,000 award from ICJIA through the Edward Byrne Recovery Act Grant Program. The purpose of the funding was to implement community based youth violence prevention through Gang Resistance Education and Training (“G.R.E.A.T.”) and the Youth Courts. The Altgeld-Riverside Community (ARC) Partnership created a community partnership and increased resident awareness of violence and burglary prevention at community schools. In 2012, CHA was invited to apply for leftover ICJIA – Byrne Recovery Act Grant Program funds to continue and enhance the ARC Partnership Program. On December 11, 2012, the CHA received official written notice of an award of \$282,200.00 from the ICJIA through the Edward Byrne Recovery Act Grant Program. CHA is required to provide matching funds of \$94,067 (mostly in-kind).
